

Nailhead Trim Options

When nailhead trim is standard on a custom frame, you may choose a nailhead FINISH of the same size at NO CHARGE. Existing nailhead may not be removed or change in size or spacing, only FINISH is an option.

Frames with the option of adding nailhead to a pre-determined location are noted in the price list, with an applicable UPCHARGE. This nailhead will be 3/8" only and applied head to head, you select the FINISH.
